

**ORANGEBURG-CALHOUN TECHNICAL COLLEGE  
RADIOLOGY TECHNOLOGY PROGRAMS  
ADMISSION PROCEDURES for Fall 2004 Applicants**

To facilitate admission of students, who can achieve at an appropriate level in the curriculum, admission of applicants is competitive. The admissions decision process weighs carefully the applicant's academic preparation for this course of study and test results. **Applicants are selected at intervals throughout the year for admission to the curriculum in the fall semester. Priority is given to applicants who are residents of Orangeburg or Calhoun counties and/or are currently enrolled at O-C Tech.**

**Applicants are required to attend a Health Science Information Session and submit a completed application packet. Early application is encouraged. All materials submitted with the application packet, that include but are not limited to official transcripts and test scores, become the exclusive property of the college and will not be returned to the applicant.**

**UPON ACCEPTANCE TO THE PROGRAM, the following requirements must be met:**

**Technical Standards**

Applicants who are admitted to the program will be required to validate by signature (may be required to demonstrate), their understanding of the specific physical, communication and didactic skills of the academic and clinical environment which include the ability to:

1. Follow oral and written instructions.
2. Put on protective clothing and equipment correctly without assistance.
3. Lift 20 pounds from the floor, carry 10 feet, and place on a surface 36 inches in height.
4. Detect both visual and audible alarms
5. Correctly read aloud written instructions.
6. Demonstrate fine motor skills in manipulating small objects.
7. Stand from a seated position and walk 300 feet.

Any student who cannot perform one of the listed technical standards should contact the Coordinator of Services for Students with Disabilities.
