Admissions Application

Welcome to OCtech. Whether you are returning to the classroom for the first time in years or continuing your education immediately following high school, we at OCtech will work with you to develop a plan that will meet your needs, your schedule and your budget. That's because we're not a "one size fits all" school. We're committed to your special needs and interests, so you don't have to fit into a narrow mold to get a good education.

Enjoy your time here and take advantage of what OCtech has to offer.

APPLICATION INSTRUCTIONS

New Students

1. Complete this application and return it to the Office of Admissions or an admissions counselor.
2. Submit SAT or ACT scores (if you took either test in high school, the scores should be listed on your high school transcript). If you do not have SAT or ACT scores, please contact an admissions counselor to make an appointment to take the ASSET or COMPASS course placement exam.
3. Request an official copy of your high school transcript to be mailed directly to the Office of Admissions. Applicants who possess a GED should submit official assessment or GED scores.

Transfer Students

1. Complete this application and return it to the Office of Admissions or an admissions counselor.
2. Request that official copies of college transcripts from all colleges that you have attended be mailed directly to the Office of Admissions at OCtech.
3. Transfer students who have successfully completed freshman English and math courses may be exempt from taking one of the college course placement exams. (ASSET/COMPASS).

Transient (Visiting) Students

Students enrolled at another college who plan to enroll in courses at OCtech must submit an application for admission as well as submit one of the following: a transient form from the Registrar's office of the home institution or an official transcript from the home institution.

Re-Admit Students

If you have not attended OCtech within the last two terms, or if you have graduated, you must complete a new application for admission.

Financial Aid and Veterans Benefits

For detailed information about grants, scholarships, loans and veterans benefits, contact the Financial Aid Office.

Services for Students with Special Needs

Any applicant with a disability who requires special accommodations should contact the Student Services Office at 535-1228.

Programs with Limited Enrollment

Students applying for admission to health sciences and nursing programs must meet specific admissions requirements in addition to general college admissions requirements. Specific program admissions requirements may be obtained from the Office of Admissions.

Counselors are available to answer your questions!
