(1) Note that underlined data indicates that CHEMIS information only is being used for the transfer result.													
*Includes Certificate, Diploma, & Associate Degree Seekers													
NOTE: The data posted here include information available on the SC CHEMIS system and data reported by the regional campuses on out-of-state graduates.													
For the performance result, both in-state graduates and out-of-state graduates are included. The final column shows the performance result for the current year.													
For indicator details, see Performance Funding Workbook, pp. II.141-145.
