Purpose

Orangeburg-Calhoun Technical College is committed to providing a safe and secure environment for students, faculty, staff and visitors.

Policy

It is the policy of Orangeburg-Calhoun Technical College that any criminal act, act or threat of violence, injury, destruction of College or personal property, traffic accident, or other situation which occurs on the campus which may constitute an emergency; a danger to the health, safety or property of any person; or a threat to the public order; be reported immediately. The following is the procedure for reporting any of the above, or other potential criminal action and/or other emergencies:

During normal operating hours, reports should be made to Campus Security. The Security Office is located in the Gressette Learning Resources Center, Building B, Office 1108. Please dial telephone ext. 1336 and either speak with the officer on duty or, in the event of non-emergencies, leave a voice mail message. In the event of an emergency, and there is no answer at ext. 1336, press 0. The phone will automatically dial the switchboard. This number is monitored from 8:00 a.m. to 7:30 p.m., Monday-Thursday and Friday between the hours of 8:00 a.m. and 1:30 p.m. After 5:00 p.m. on Monday – Thursday, please follow the following instructions for reaching the officer on duty:

- ❑ Monday – Thursday, call the security cellular phone at 682-3335. Speak with an officer or, for non-emergencies, leave a voice mail message. The phone will automatically notify the officer of any messages.
- ❑ If there is an emergency and no answer, call the Front Desk in Building S (Student and Community Life Center) at extension 1211 (535-1211, off-campus). The front desk staff member has access to a radio and can immediately contact security. This number will be monitored from 5:00 p.m. to 7:30 p.m., Monday – Thursday.
- ❑ If there is an emergency situation after 7:30 p.m., call the LRC at ext. 1262 (535-1262, off-campus). LRC staff also has access to a radio and can immediately contact security. The LRC number is monitored until 9:00 p.m., Monday – Thursday by LRC staff.
- ❑ If there is an emergency situation after 9:00 p.m., call the security main number at ext. 1336 (535-1336, off campus). An officer will be physically located in the security office Monday – Thursday from 9:00 p.m. – 10:00 p.m. This number will also be available as a back-up option during the other times. Even if you don't get an officer when you call, the officer on duty is required to check voice mail at least once per hour; therefore, you may want to leave a message.

- The red emergency call boxes on campus are still available. Monday – Thursday, they ring at the Front Desk in Building S from 8:00 a.m. – 7:30 p.m. From 7:30 p.m. - 9:00 p.m. they ring in the LRC (it takes approximately four rings to reach the LRC). After 9:00 p.m. they ring in the Security Office.

On Saturdays, Sundays, and Holidays, please dial telephone ext. 1336 or, if calling from off-campus, dial telephone number 535-1336 and leave a voice mail for non-emergencies. Security personnel are required to check voice mail every hour.

In extreme emergencies such as serious injuries (first aid), fire and other life threatening situations, any employee or student is authorized to dial 911 and make a direct request for assistance. Further notification through proper college channels may be completed when time permits.

The officer on duty will notify the Fire Department/Sheriff Department if the emergency involves a fire or the need to evacuate the building. The officer on duty shall initiate the emergency notification system, notifying the appropriate individuals.

Note: To dial any outside number, first dial 9, listen for dial tone, then dial the number.

An initial and necessary follow-up investigation will be conducted. Reports are treated confidentially, except as necessary and required to investigate the allegations. When notified of a crime, the assigned officer will work closely with the victim to resolve the problem. The victim maintains the right to drop or decline prosecution of the case at any time and to choose whether to pursue the case through the criminal justice system, the campus judicial system, or both. If an incident is considered an immediate threat to members of the campus community, that information will be shared through crime alert notices.

Access to Campus Facilities Procedure

Orangeburg-Calhoun Technical College is committed to providing a safe and secure environment for students, faculty, staff, and visitors.

In accordance with this commitment, we ask that you comply with the following:

1. Anyone who needs access to a building on Monday – Thursday between the hours of 10:15 p.m. and 7:00 a.m. and Friday between the hours of 4:00 p.m. and 7:00 a.m. and anytime on Saturday, Sunday, and holidays, must check with the Campus Security personnel on duty prior to entering the building and after leaving the building. This applies to individuals who have keys, those who have access to keys and those who do not have access to keys.
2. No one is permitted to open doors for individuals who do not have keys during the hours mentioned above except campus security personnel who have been authorized to do so by their supervisor.
3. Individuals who have been assigned keys are not to loan or entrust their keys to others. The individuals to whom key assignments have been made are and will be held responsible for the security of their respective areas.
4. When a faculty or staff member opens a building, or a section of a building for student activities, the students must be supervised during the entire time they are in the building. It is the responsibility of the supervising faculty or staff member to secure the building when the activity has ended.
5. At the close of the business or instructional day, it is the responsibility of the individual supervisors or faculty members to secure their respective work areas. This includes windows, doors, and any other means by which unlawful or unauthorized entry might be made.

Please be reminded that the Campus Security Staff has many other responsibilities and are here for the overall safety of the College. Therefore, they will only be able to accommodate requests to open doors after their primary mission has been completed or only under emergency conditions.

Campus Law Enforcement Policies and Practices

All campus crimes are to be promptly reported in the manner previously stated herein. Any qualifying crimes will be immediately reported to the local sheriff's department. The College has excellent working relationships with the local sheriff and fire departments and with rescue and the hospital.

Campus Programs on Security, Safety and Crime Prevention

Campus safety procedures and practices are outlined in the College Catalog and Safety Handbook. Student and faculty/staff are also informed of these safety practices at orientations/staff meetings. Students and employees are encouraged to be responsible for their own safety and security.

Sexual Assault Procedure

Sexual assault is a violent act of aggression, which violates the basic principle of human dignity. Quite often, persons who commit this crime are known to their victims and these cases are the least reported. Victims of sexual assault are urged to report the crime. Persons who commit this crime are known to repeat the act and cannot be caught or stopped without the victim's assistance.

As members of the College community, students are expected to evidence a high standard of personal conduct and to respect the rights of other students, faculty, staff members and visitors on campus. Students are also expected to adhere to all federal, state and local laws, as well as the Student Code of Conduct. Sexual assault is a criminal offense and a violation of the Student Code of Conduct. Allegations of sexual assault, that occurs within the jurisdiction of the College, may be adjudicated through Student Grievance proceedings. Adjudication procedures and possible sanctions for violation of the Code of Conduct may be found in the Student Handbook. Copies of the Student Handbook are distributed to all new students during Orientation.

If sexual assault occurs on campus, Campus Security should be notified immediately. An officer will be dispatched to the victim's location as soon as possible. The officer on duty will evaluate the situation for immediate medical needs, calm the victim and remain at the location until the Orangeburg County Sheriff Department, who serves as lead reporting agency, arrives. A counselor from Student Services will be notified and, with the victim's consent, respond to the location of the victim to serve as victim advocate/victim service provider. The welfare of the victim is our primary concern. Crimes of such a sensitive nature are handled with the utmost discretion. For information regarding possible adjudication through on-campus procedures, please refer to the Student Handbook.

If a sexual assault occurs off campus, the proper jurisdiction should be notified immediately. Please familiarize yourself with the numbers for emergency assistance

(EMS, police) in your area. Even though the incident occurs off campus, counselors are available, upon request, to meet with the student.

It is important to note that the victim of sexual assault is a primary component of the evidence in a crime scene. Therefore, to preserve critical evidence used in prosecution, we caution the victim to avoid showering, changing clothes, brushing teeth, drinking, or disturbing the crime scene in any way.

Drugs and Alcohol

Orangeburg-Calhoun Technical College prohibits the unlawful manufacture, distribution, dispensation, possession or use of illegal drugs or controlled substances by students as set forth in South Carolina Code of Laws, Section 44-S3-110 et seq. This law prohibits possession or sale of drug paraphernalia (such as roach clips, bongs, water pipes, cocaine spoons) as defined in South Carolina Code of Laws, Section 44-S3-1510 et seq. and the distribution or delivery of an imitation (“look-alike”), non-controlled substance represented as a controlled substance, as defined in South Carolina Code of Laws, Section 44-S3-390. Detailed information on federal and state alcoholic beverage and other drug laws may be found in the Student Handbook.

In the state of South Carolina it is illegal to purchase, possess or consume alcohol if you are under the age of 21. It is also illegal for a person of legal age to purchase alcohol for a person under 21 years of age.

The College must maintain its primary function as a center of learning. No one under the influence of alcohol or other drugs will be allowed to attend class or remain on campus. At the same time, it must be clear that local, state and federal laws apply equally on campus as well as off campus. The abuse of alcohol and the use of illegal drugs by members of the College community are incompatible with the goals of our College. Substance abuse programs have been developed both on campus and within this community. They offer alcohol and other drug education, counseling, and referral services. Local agencies are the Dawn Center, Orangeburg Mental Health Clinic and Charter Counseling Center.

Campus Crime Statistics

The Crime Awareness and Campus Security Act of 1990 was enacted on November 8, 1990. The Act requires college campuses to make available statistics of any criminal incidents and/or arrests, and to report, on an annual basis, the number of criminal incidents (murder, rape, robbery, aggravated assault, burglary and/or motor theft). The College is also required to report the number of arrests involving liquor law, drug abuse and/or weapons violations. A statement of policy entitled, “Alcohol/Drugs” is addressed in the College catalog and employee handouts.

The Chief of Campus Safety and Security collects, compiles and disseminates this data for the College’s annual security report.
