South Carolina State Technical System

Degree: Associate in Occupational Technology
Generic Model For: Vocational-Technical Education
Major: Vocational-Technical Education

Range of Semester Hour Credits (SHC) in Program : 60 - 77

Graduation Requirements

- I. Grade-point average of 2.00 (C=2) on all college work presented to fulfill the curriculum program requirements.
- II. Complete range of semester hour credits distributed as follows:

A. General Education (Minimum) 15

The general education component of each associate degree program must meet current SACS Core requirements as delineated in Section 2.7.3: 2.7.3 requires in each undergraduate degree program the successful completion of a general education component at the collegiate level that (1) is a substantial component of each undergraduate degree, (2) ensures breadth of knowledge, and (3) is based on a coherent rationale. For degree completion in associate programs, the component constitutes a minimum of 15 semester hours or the equivalent (...). These credit hours are to be drawn from and include at least one course from each of the following areas: humanities/fine arts; social/behavioral sciences; and natural sciences/mathematics. The courses do not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession. The institution provides a written justification and rationale for course equivalency. (General Education)

B. Required Core Subject Areas (Minimum) 30
