

**2018-2019 Dependent Verification Worksheet**  
**STUDENT TAX TRANSCRIPT REQUEST**

**WHY YOU HAVE RECEIVED THIS FORM**

Your application was selected for review in a process called "verification". In this verification process, we will be comparing information from your FAFSA with copies of your 2016 federal tax return transcripts, with W-2 forms or other financial documents. Federal regulations require us to collect this information before disbursing federal aid. If there are differences between your FAFSA and the verification documents, we will make the corrections and send the required changes electronically to the federal student aid processor to have your information reprocessed.
