The annual income is the minimum income needed to handle this debt.

The payment is approximately 8% of the suggested annual income.

- **Be responsible in managing your debt.**
- **Avoid the serious consequences of default.**
- **As with any debt, you are responsible for repaying your loan in full, even if you do not complete school, cannot get a job, or feel you did not receive the education or other services you were seeking.**
- **If you do not make your monthly payments as scheduled and you do not make any special arrangements with your lender, your loan may go into default.**
