

ADDENDUM #2

The following items shall take precedence over the drawings and specifications for the above named project and shall become a part of the contract documents. Where any item called for in the specifications, or indicated on the drawings, is not supplemented hereby, the original requirements shall remain in effect. Where any original item is amended, voided, or superseded hereby, the provisions of such item not specifically amended, voided or superseded shall remain in effect.

General

<u>Item No.</u>	<u>Description</u>
1	Revise all references in the specification manual from "275' of 18" storm line" to "275' of 15" storm line".
2	Attached is a revised sheet C1.1 for information on relocation of the existing solar powered Emergency Call Station.
