
CRIME AWARENESS AND CAMPUS SECURITY ACT

2023 CAMPUS SAFETY REPORT

Prepared by
OCtech Police Department

Orangeburg-Calhoun Technical College
3250 St. Matthews Rd.
Orangeburg, SC 29118

Orangeburg-Calhoun Technical College is committed to a policy of equal opportunity and does not discriminate on the basis of race, color, religion, national origin, sex, pregnancy, age, disability, or veteran status in employment, educational programs and activities, admissions and financial aid.

A Message from the President

The mission of Orangeburg-Calhoun Technical College (OCtech) is to “provide relevant training and education in a diverse, flexible and inclusive environment that promotes success and self-reliance for students, and fosters economic development for the region.” Inherent in that mission is our goal to provide a safe learning and working environment for faculty, staff, students, and visitors. Operationally, all members of the faculty and staff at this institution play a vital role in fulfilling that goal by making students our priority, making a commitment to community, dedicating ourselves to quality, and valuing those skills that provide opportunity for all members of the OCtech family. Within that family, we have a committed campus police staff, who are proactive in deterring criminal activity on campus, yet also serving as ambassadors to those stakeholders who arrive on our campus. I am very proud of the work they’ve accomplished through their belief and commitment to the philosophy of community policing.

As a two-year technical college, and a commuter campus, we serve diverse populations of students, and work diligently to be proactive in deterring any type of criminal activity on campus. However, we do understand that instances beyond our control do occur, and therefore, we value shared decision making and collaboration in developing plans to address those types of occurrences.

OCtech has a strong, positive reputation in the community for the high level of customer service, the strong academic rigor it provides students, and the quality of its employees, but this reputation would not be as it is today without the assistance of our campus police department. Thank you for taking the opportunity to review the OCtech Crime Safety Report, and the reader of this publication will discover, after reviewing the information contained in this document, that safety and security on this campus is a priority, and we as an institution, value the work provided by our staff.

Dr. Walt A. Tobin
President

PURPOSE

Orangeburg-Calhoun Technical College is committed to providing a safe and secure environment for students, faculty, staff and visitors. The information in this publication is to comply with requirements set forth under the 1998 Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The act is commonly referred to as the “Clery Act.” This report is updated on an annual basis and is disseminated to all college students, faculty, staff, and interested individual via web distribution. Upon request, this report will also be provided in hard copy format to any applicant for enrollment or employment, as well as to any current student, faculty, staff, or interested individuals.

POLICY

Orangeburg-Calhoun Technical College (OCtech) policy states that any criminal act, act or threat of violence, injury, destruction of college or personal property, traffic accident, or other situation that occurs on the campus which may constitute an emergency, a danger to the health, safety or property of any person; or a threat to the public order; be reported immediately. The following is the procedure for reporting any of the above, or other potential criminal actions and/or other emergencies:

During the college’s normal operating hours, incident reports should be made to OCtech police office. The police office is located in the Gressette Learning Resources Center, Building B Office 142. Please dial telephone ext. 1336 when using a campus phone to speak to an officer on duty. Dial (803)535-1336 when using a personal phone to speak with the officer on duty. In the event of non-emergencies, leave a voice mail message and an officer with respond within 48 business hours. In the event of an emergency, and there is no answer at ext. 1336, dial the OCtech Police Department cell phone **803-682-3335**. This number is operational anytime the college is open for business, and it is the fastest method to contact the department via phone.

OCtech has blue-light emergency call boxes for the college community. They are located in the campus parking lots (see map on pg. 7). These emergency call boxes are connected directly to the radios of the police officers. The emergency boxes can be use anytime during the college’s operating hours.

In extreme emergencies such as serious injuries and medical issues, fire and other life-threatening situations, any employee or student is authorized to dial 911 and make a direct request for assistance. Further notification through proper college channels may be completed when time permits. The officer on duty will initiate the emergency notification system, notifying the appropriate individuals.

An initial and follow-up investigation, if necessary, of reported incidents/allegations will be conducted. Reports are treated confidentially. When notified of a crime, the assigned officer will work closely with the victim to resolve the problem. The victim maintains the right to decline prosecution of a case at any time unless South Carolina laws prohibits such action.

The victim also maintains the right to pursue such case through the criminal justice system, the college administrative system, or both. If an incident is considered an immediate threat to members of the college community, the information will be shared as necessary through the college's crime alert notices.

OCTECH POLICE DEPARTMENT

Orangeburg-Calhoun Technical College provides full-service police services to the college community through its police department. The department is a fully independent law enforcement agency. OCtech police officers are South Carolina state certified Class I law enforcements officers. We are commissioned SC State Constables with statewide jurisdiction, and have complete police authority to arrest anyone involved in illegal acts on campus and areas off campus. If any violation of OCtech's rules and regulations are committed by a college student, the incident may also be referred to Student Services for disciplinary action if applicable. The office of Student Services ensures that safety/security policies are uniformly executed and conveyed in a clear and consistent manner to the student body. Criminal reports involving major offenses are shared with the State Law Enforcement Division (SLED) and Orangeburg County Sheriff Office (OCSO) as they provide additional service and support to resolve criminal matters. A joint investigation may occur. The prosecution of criminal offenses, felony or misdemeanor, are conducted at Magistrate, General Sessions, or Federal Court.

OCtech Police Department produces, disseminates, maintains, and stored Criminal Justice Information Systems (CJIS) information within the police department only. OCtech Police Department utilizes OCSO to collect and input criminal information to the CJIS via mutual aid agreement. These databases are used for accessing criminal history data, nationwide police records, driver/vehicle identification information along with other local, state and federal law enforcement information. OCtech Police Department has direct radio communication with local law enforcement agencies over the SC law enforcement communications network.

Students who engage in criminal activity at off campus locations may be monitored by OCtech Police Department. This information may be provided to the Vice President of Student Services if it affects the college's services to the college community and itself. While Orangeburg County Sheriff's Office has primary jurisdiction in off campus areas in close proximity to campus and concurrent jurisdiction on campus, OCtech police officers often respond to incidents that may involve students.

Job duties of OCtech police officers include but are not limited to:

1. Enforce South Carolina state laws.
2. Enforce OCtech's rules and regulations
3. Perform duties in accordance to the department's policy and procedures
4. Patrol the campus on a routine basis, perform security checks of common areas, buildings, and other property.
5. Respond to all calls for police service within the college.
6. Investigate any suspicious person or activity within the college properties.
7. Document all incidents when called for service.
8. Enforce traffic and parking regulations on the college campus.
9. Assist with fire prevention
 - A. Check fire extinguishers throughout the campus for serviceability on a monthly basis.
 - B. Summon the fire department when needed.
10. Notify proper personnel for any service: law enforcement, administrative, or support agencies

Crime Statistics and Reporting

Numerous efforts are made to inform members of the college community on a timely basis about campus crime and crime related problems. OCtech utilizes early warning systems on the campus through intercoms and personnel. The college also send alerts via an electronic emergency notification system.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Chief of Campus Police and/or the Crisis Response Team, constitutes a credible ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issue through the college intercom message and e-mail system to faculty, staff, and present students. The college emergency alert system will issue messages to cell phone and email to participants in the system. Other instructions will come via building/area captains and by memo to the media, if necessary.

Anyone with information warranting a timely warning should report the circumstances to the OCtech Police Office, by phone **(803)682-3335 and (803)535-1336** or in person at the police office, Gressette Learning Resources Building, Building B, Office 142.

Emergency Alert Systems

Emergency Alert (Regroup) allows the college to send emergency messages to multiple phone numbers and emails of students and employees. Students are directed to a link on their D2L accounts to sign-up. Employees may use the link on SharePoint or website (www.regroup.com). The college email address is automatically enrolled in the alert system. Students and employees are encouraged to add cell phone numbers and personal email addresses to the system. Adding a cell phone and an email will allow the receipt of emergency texts, voice messages, and emails.

If the cell phone does not have text messaging as part of the plan, there may be a charge from the carrier when the messages are received. The college currently tests the system annually.

Eyewitness Communication

OCtech Police Department's safety and security hotline is called **eyewitness**. The phone number is **(803)268-2626**. This hotline provides the college community a way to report any suspicious activity anonymously. When you call, you are not required to leave any contact information unless you wish to. The hotline will be checked twice a day, Monday-Thursday, and once on Friday. A truly safe campus can only be achieved through the full cooperation of all the students, faculty, and staff.

Crime Log

A summary of criminal incidents is maintained at the OCtech Police Office located in Building B, room 142. This log can be viewed during normal business hours on Monday-Thursday, 9:00 AM-5:00 PM and on Friday 9:00 AM-1:30 PM.

Tobacco Free Campus

OCtech is committed to providing an environment conducive to its mission that is safe, healthy and comfortable. Due to well-documented health and safety risks related to smoking and the college's commitment to support the comfort and well-being of its various constituents, the college is a "tobacco-free" campus. Tobacco use is prohibited on all property owned or controlled by the college. This prohibition includes all buildings and grounds. This policy is in effect at all times with no exceptions.

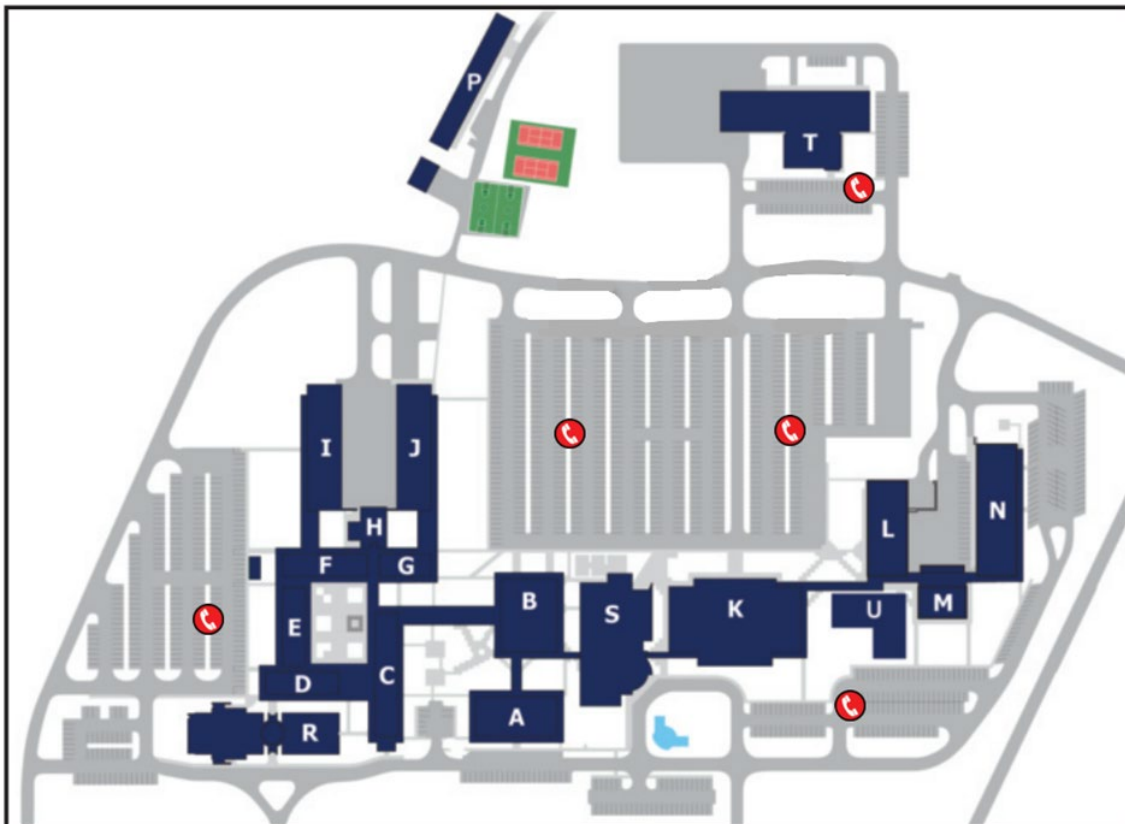

Safety and Security Response Manual

The college has published a Safety and Security Response Manual that incorporates emergency response and evacuation policies and procedures for a variety of situations. Information in the plan ranges from general guidelines for dealing with potential emergency situations to specific information on what to do for a variety of specific situations. The information is provided in an effort to help prepare all of the college community in the event of a natural or man-made emergency or disaster. The plan is reviewed annually, and is on the college's internal website for employees.

Emergency Call Boxes

Safety and Security on the college campus has been enhanced through the installation of emergency call boxes.

There are five (5) blue light call boxes located on campus. The blue light call boxes have a blue light that is illuminated 24/7 and a blue strobe that flashes when the box is activated. Our blue-light call boxes are radios that communicate directly with OCtech police officers' radios. A patrolling officer is often at the location in seconds, bypassing the local 911 service, who would otherwise dispatch OCtech police officer to the emergency. Using the emergency box provides a fast and reliable notification (ID and location) to an OCtech police officer during normal College operating hours. The automatic audible instructions will guide users through a step-by-step process. The caller will be able to gain a two-way voice communication with responding officer to quickly assess the caller's needs. The locations of the blue-light call boxes are indicated on the map below by the red phone symbol.

IMPORTANT

Please be reminded the Call Box Emergency System is only useful when an officer is on duty. If you have an emergency when the college is not staffed with an officer, please call 911.

Weapons

Pursuant to the South Carolina Concealed Weapons Act, other applicable State laws, and the college policy, firearms are not allowed on the campus of OCtech. Any person with a firearm in their vehicle is subject to the applicable laws of the State of South Carolina. See South Carolina Code of Laws Section 16-23-420.

SECTION 16-23-420. - (A) It is unlawful for a person to possess a firearm of any kind on any premises or property owned, operated, or controlled by a private or public school, college, university, technical college, other post-secondary institution, or in any publicly owned building, without the express permission of the authorities in charge of the premises or property. The provisions of this subsection related to any premises or property owned, operated, or controlled by a private or public school, college, university, technical college, or other post-secondary institution, do not apply to a person who is authorized to carry a concealed weapon pursuant to Article 4, Chapter 31, Title 23 when the weapon remains inside an attended or locked motor vehicle and is secured in a closed glove compartment, closed console, closed trunk, or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle.

Persons whose conduct violates state law will be prosecuted in the appropriate criminal court. In addition, this procedure prohibits carrying any other weapon (knife, sword, blackjack, metal pipe, club, dirk, slingshot, brass knuckles, razor, or other type of weapon, object or device which may be used to inflict bodily injury or death) on campus. This applies to any weapon or replica of a weapon in assembled or unassembled condition.

All prohibited items will be confiscated and may be destroyed. Approval for possession or use, in extremely limited and specific situations, will be considered on a case-by-case basis.

Animals Prohibited

Animals are not allowed on the premises or property of OCtech except for animals trained to assist the disabled, police dogs or police horses, or animals used for educational purposes in academic programs. The feeding of animals (feral, domestic, or wildlife) on campus is prohibited with the exception of those animals trained to assist persons with disabilities.

Drugs and Alcohol

OCtech prohibits the unlawful manufacture, distribution, dispensation, possession or use of illegal drugs or controlled substances by students as set forth in South Carolina Code of Laws, Section 44-S3-110et seq. This law prohibits possession or sale of drug paraphernalia

(such as roach clips, bongos, water pipes, cocaine spoons) as defined in South Carolina Code of Laws, Section 44-S3-1510 et seq. and the distribution or delivery of an imitation (“look-alike”), non-controlled substance represented as a controlled substance, as defined in South Carolina Code of Laws, Section 44-S3-390. Detailed information on federal and state alcoholic beverage and other drug laws may be found in the Student Handbook.

In the state of South Carolina it is illegal to purchase, possess or consume alcohol if you are under the age of 21. It is also illegal for a person of legal age to purchase alcohol for a person less than 21 years of age.

The college must maintain its primary function as a center of learning. No one under the influence of alcohol or other drugs will be allowed to attend class or remain on campus. At the same time, it must be clear that local, state and federal laws apply equally on campus as well as off campus. The abuse of alcohol and the use of illegal drugs by members of the College community are incompatible with the goals of our College. Substance abuse programs have been developed both on campus and within this community. They offer alcohol and other drug education, counseling, and referral services. Local agencies are the Dawn Center and Orangeburg Mental Health Clinic.

Sex Offender Registry and Access to Related Information

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in the State to provide notice, as required under State law, to each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. In South Carolina convicted sex offenders must register with the County Sheriff Office where they reside.

In addition, all persons convicted of violations under the laws of the United States or any other state substantially similar to an offense for which registration is required shall provide to the local agency all necessary information for inclusion in the State Sex Offender Registry within ten days of establishing a residence within South Carolina. Any person required to register shall also be required to re-register within ten days following any change of residence.

Nonresident offenders entering the State for employment, to carry on a vocation, or as a student attending school who are required to register in their state of residence or who would be required to register under this section if a resident of South Carolina shall, within ten days of accepting employment or enrolling in school in the State, be required to register and re-register pursuant to this section. For purposes of this section "student" means a person who is enrolled on a full-time or part-time basis, in any public or private educational institution, including any secondary school, trade or professional institution, or institution of higher education.

The State Law Enforcement Division (SLED) maintains a system for making certain Registry information available via the Internet. The Web address for the SLED State Sex Offender Registry is: <http://www.sled.sc.gov/> and allows you to search for Offenders by Name, City, County, or Zip Code. The information available includes the offender's name; sex, race, age, date of birth, height, weight, eye, hair and skin color; last reported address, any scars, marks or tattoos, aliases used; the date of conviction, the statute violated; if the offender is a predator; and a photograph if available.

Registry information provided under law shall be used for the purposes of the administration of criminal justice, for the screening of current or prospective employees or volunteers or otherwise for the protection of the public in general and children in particular. Use of the information for purposes not authorized by law is prohibited and a willful violation with the intent to harass or intimidate another can result in prosecution.

SECURITY AND ACCESS TO CAMPUS FACILITIES

The vice president for Business Affairs, Chief of Police, and Human Resources Director are responsible for campus safety/security.

OCtech Police Department provides all police and security services to the college during operational hours, planned events, and special requests. The college normal operation days and hours are Monday – Thursday 7AM to 11 PM, and Friday 7AM to 1:30PM. In order to ensure a safe environment, the college has partnered with Orangeburg County Sheriff's Office to provide police service support during the non-operational hours of the college.

Access to Campus Facilities Procedure

OCtech is committed to providing a safe and secure environment for students, faculty, staff, and visitors.

In accordance with this commitment, we ask that you comply with the following:

1. Anyone who needs access to a building Monday – Thursday between the hours of 11:00 PM and 7:00 AM, Friday between the hours of 1:30 PM. and 7:00 AM and anytime on Saturday, Sunday, and holidays, must have prior authorization from the Chief of Police before entering the campus and/or any buildings during the above hours. The OCtech Police Office (located in Building B) can be contacted by dialing **(803) 682-3335** or **(803) 535-1336**, and speaking with the officer on duty or leaving a message on voice mail during normal college business hours. This applies to individuals who have keys, those who have access to keys and those who do not have access to keys.
2. No one is permitted to open doors for individuals who do not have keys during the hours mentioned above except OCtech police officer who have been authorized to do so by their supervisor.
3. Individuals who have been assigned keys are not to loan or entrust their keys to others. The individuals to whom key assignments have been made are and will be held responsible for the security of their respective areas.

4. When a faculty or staff member opens a building, or a section of a building for student activities, the students must be supervised during the entire time they are in the building. It is the responsibility of the supervising faculty or staff member to secure the building when the activity has ended.
5. At the close of the business or instructional day, it is the responsibility of the individual supervisors or faculty members to secure their respective work areas. This includes windows, doors, and any other means by which unlawful or unauthorized entry might be made.

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING HAS OCCURRED

Any student, or other member of the college community, who believes that they have been a victim of sexual harassment or sexual violence may file a report with the college Chief Student Services Officer, campus law enforcement, or with the College's Title IX Coordinator, or designee. Students may also contact any Responsible Employee who has an obligation to report any claim of sexual harassment or sexual assault to the Title IX Coordinator or designee.

The OCtech Police Department takes all complaints of sexual assault, domestic violence, dating violence and stalking seriously and actively. We assist students, faculty, and staff dealing with matters of such through civil and criminal means. The following policies and procedures can be found on the college website at [www.octech.edu/ About/Policies and Procedures](http://www.octech.edu/About/Policies%20and%20Procedures) and State Technical College System (SBTCE) website at www.sctechsystem.com/faculty-and-staff/policies-and-procedures/index.html

- SBTCE Non-Discrimination, Anti-Harassment and Sexual Misconduct (8-5-101 & 8-5-101.1)
- SBTCE Sexual Harassment under Title IX (8-5-101.2)
- OCtech Student Grievance Procedure (4.049.01)
- OCtech Student Code of Conduct (4.049.03)
- OCtech Student Code Procedures for Addressing Alleged Acts of Sexual Violence and Sexual Harassment (4.049.02)

If a Sexual Offense Should Occur, the survivor should:

- Go to a safe place.
- Contact a safe person to be with you.

The following are options and are not required of a survivor:

- On campus, call the Campus Police Department at (803)682-3335 or (803)535-1336. Off campus, call local emergency medical service by dialing "911" or their local number. This does not obligate you to file charges or testify in court.

- If you prefer not to call the police, but you want to make it known that a sexual assault has occurred, contact the Vice President for Student Services (803-535-1218) or the Title IX Coordinator (803-535-1207).
- Do not bathe, shower, or douche. Do not urinate, if possible.
- Do not change clothes, if it can be avoided. If changing clothes is necessary, secure you changed clothes inside a paper bag, not plastic. (Evidence deteriorates in plastic).
- Do not eat, drink, smoke, rinse your mouth, or brush your teeth if oral contact took place.
- Do not disturb the crime scene(s).
- Get prompt medical attention. This can be obtained from any hospital emergency room.
- Obtain counseling. The college has a relationship with CASA Family Systems (local counseling service) for such needs. Their contact number is (803) 531-6189.
- The survivor has a right to choose who to talk to and who not to talk to at any point.

COLLEGE INFORMATION

Sexual assault is strictly prohibited by the college. The College's Non-Discrimination, Anti-Harassment, and Sexual Misconduct and Student Code Procedures for Addressing Alleged Acts of Sexual Violence and Sexual Harassment procedures comply with S.C. Code Ann. § 59-105-10 et seq. (Supp. 2002), commonly known as the "South Carolina Campus Sexual Assault Information Act".

Sexual Assault means an actual or attempted sexual contact with another individual without the individual's consent. Sexual assault includes, but is not limited to: involvement in any sexual contact when the victim is unable to consent; intentional and unwelcome touching of, coercing, forcing, or attempting to coerce or force another to touch an individual's intimate parts, or disrobing or exposure of another without consent; or sexual intercourse without consent, including acts commonly referred to as "rape." Intimate parts may include genitalia, groin, breast, or buttocks, or any other body part that is touched in a sexual manner.

Consent is clear, knowing, and voluntary agreement. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity. Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. Previous relationships or prior consent cannot imply consent to future sexual acts.

The college will impose sanctions on individuals who commit sexual assault. In cases involving a student, an interim (immediate) suspension may be imposed, which means the

accused cannot attend classes or be on campus until a preliminary hearing is held (within 10 days). In other cases, the accused may be permitted to attend classes pending a final decision from the Vice President for Student Services. If the recommendation is suspension (from the college) or expulsion (from the college), a hearing will be held. Among the other disciplinary sanctions that may be imposed are the following: reprimand, special conditions, disciplinary probation, loss of privileges, suspension from the college, expulsion from the college, additional measures that may include change in academic and extra curricula activities, living arrangement, transportation, dining, and college-related work assignments, or any combination of the sanctions listed.

Procedure when a Sexual Assault Is Reported to the Campus Police Department

When you notify OCtech Police Officers of a sexual assault, the following will occur:

- Campus Police will respond to your location on campus, ensure that you are safe and provide you with emergency medical assistance.
- Campus Police will ask you questions about the assault (location and time of the assault, a description of the accused, etc.). If you request to speak to a male or female officer, campus police will make every reasonable effort to accommodate your request, to include contacting another law enforcement agency having concurrent jurisdiction. Local law enforcement may become involved depending on the circumstances surrounding the incident. A family member, friend, or counselor may be with you during the interview.
- Campus Police will protect the crime scene, contact local law enforcement as may become necessary and assist in the collection and preservation of evidence.
- Campus Police will make contact with and escort you to an appropriate medical facility.
- Campus Police will contact other assistance agencies (Orangeburg County Sheriff's Office Victims/Witness Program, etc.) on your behalf. The Victims/Witness coordinator from the Sheriff's Office will help you file any documents related to the S.C. Victim's Compensation Fund.
- Campus Police will treat you and your case with sensitivity, understanding, and professionalism regardless of your gender or the gender of the accused. Officers will not prejudge you or blame you for what occurred.
- Campus Police will NOT release your name to the public or the press.
- Campus Police will continue to be available to you, answer your questions, and explain the system and processes involved (solicitor, courts, etc.).
- Campus Police will professionally investigate your case, which may lead to the arrest and prosecution of the accused. You will be kept up-to-date on the progress of the investigation and/or prosecution.

- When you report a sexual assault on campus, you are not making a commitment to file charges or testify in court. By reporting the matter to the Campus Police, you can be assured of immediate physical protection and transportation to a medical facility.
-

Procedure when a Sexual Assault Is Reported to the Vice President for Student Services or Title IX Coordinator

Please refer to

SBTCE Procedure 3-2-106.2 [Student Code for Addressing Alleged Acts of Sexual Harassment Under Title IX](#)

OCtech Procedure 4.049.02 [Student Code Procedures for Addressing Alleged Acts of Sexual Violence and Sexual Harassment](#)

If a sexual assault occurs off campus, the proper jurisdiction should be notified. Please familiarize yourself with the numbers for emergency assistance (EMS, police) in your area. Even though the incident occurs off campus, counselors and community resources are available to meet with the student.

CAMPUS PROGRAMS ON SECURITY, SAFETY, AND CRIME PREVENTION

Campus safety procedures and practices are included in the college catalog and OCtech website (www.octech.edu). Students, faculty, and staff are also informed of these safety practices at orientations and faculty/staff meetings. Students and employees are encouraged to be responsible for their own safety and security.

Campus Safety Programs

In addition to direct efforts in crime prevention and detection, the OCtech Police Department monitors a number of programs to foster campus safety and security.

Freshmen and New Students:

All new and freshmen students are recommended to attend an orientation session that includes a briefing on crime on campus, security procedures, and department services from the Campus Police Department. Although there is no set schedule for presentations of other crime prevention/education programs, topics on campus crime or related topics are offered by various departments on campus throughout the year.

Faculty/Staff

All security and safety programs offered to students are also available to faculty and staff. The Chief of Police annually presents to the faculty and staff services provided to them by the OCtech Police Department and any additional information or changes. New employees are provided education on the Non-Discrimination, Anti-Harassment, and Sexual Misconduct policies and procedures of the college, and their responsibility under Title IX. They are given information about the safety and security policies and procedures of the college.

Security Awareness Programs

Crime prevention posters are displayed in campus facilities to help educate the college community on new prevention techniques and bystander intervention and awareness. The college has an awareness program “Be Aware, Be Alert, and Be Safe”. There are events and information circulated to promote this program which includes, but is not limited to bystander intervention, dating violence, domestic violence, sexual assault stalking information, and prevention and risk reduction.

CAMPUS CRIME STATISTICS

The Crime Awareness and Campus Security Act of 1990 were enacted on November 8, 1990. The Act requires college campuses to make available statistics of any criminal incidents and/or arrests, and to report, on an annual basis, the number of criminal incidents (murder, rape, robbery, aggravated assault, burglary, and/or motor theft). The college is also required to report the number of arrests involving liquor law, drug abuse and/or weapons violations.

The Chief of Police collects, compiles, and disseminates this data for the college's annual security report.

STATISTICAL DEFINITIONS

Campus

ON CAMPUS is defined as any building or property, owned or controlled by an institution of higher education, within the same reasonably contiguous geographic area to the institution, and used by the institution in direct support of, or in a manner related to the

institution's educational purposes. This includes residence halls and property within the same reasonably contiguous geographic area of the institution that is owned by the institution but controlled by another person, is frequently used by students, and supports the institutional purposes.

Non-campus Building or Property

NON-CAMPUS BUILDING OR PROPERTY is defined as any building or property owned or controlled by student organizations officially recognized by the institution. Also, any building or property (other than a ranch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property

PUBLIC PROPERTY is defined as all public property, including thoroughfares, streets, sidewalks, and parking facilities within the campus or immediately adjacent to and accessible from the campus.

Hate Crimes

We report, by category of prejudice, any crime reported pursuant to the act, or any other crime involving bodily injury, that manifests evidence that the victim was intentionally selected because of the individual's actual or perceived race, religion, sexual orientation, gender, disability or ethnicity.

Disciplinary Referrals

This is a list of the number of disciplinary referrals for each of the following offenses during the three listed calendar years. The statistics do not include drunkenness or driving under the influence.

Reporting changes for the Campus Security Policy/Campus Crime Statistics Report have been amended to include the following:

- Two new crime reporting categories (manslaughter and arson)
- Arrests or persons referred for campus disciplinary action for liquor law violations, drug-related violations, and weapons possession,
- Redefinition of reporting area: *Campus, Non-Campus Building or Property and Public Property.*

NOTE: Statistics for crimes on Non- Campus Building or Property have been provided by the St. Matthews Police Department.

*** No crimes occurred that required disclosure under Clery Act Compliance.***

| Offense (Reported by Hierarchy) | Year | On Campus | Non- Campus | Public Property | Total |
