Authorization:

Area Commission Chairman

President

Date Approved: August 16, 2005

Last Revised: June 11, 2015

Last Reviewed: August 10, 2021

Orangeburg-Calhoun Technical College shall provide an alternative admissions criteria for students interested in taking individual courses or pursuing a certificate, diploma, or degree. As an open admissions institution, OCtech has a commitment to serving potential students who come from diverse backgrounds, have had different learning experiences, and whose abilities may not be reflected using the current assessment instruments. Minimum standards of admission will be determined by college administration with input from faculty and staff.
