Orangeburg-Calhoun Technical College operates as an open admissions College as required by the 1976 Code of Laws of South Carolina, as amended. Consistent with statutory requirements and existing policies, Orangeburg-Calhoun Technical College makes every effort to minimize geographic, financial, and scholastic barriers to postsecondary curricula and services offered by the College. A high school diploma (or GED certificate), though desirable, is not a prerequisite for admission to the College, but may be required for specific curriculum admission and federal financial aid.
