Department of
Responsibility: Admissions

Authorization:

Area Commission Chairman

President

Date Approved: March 21, 1995

Last Revised: April 15, 2014

Last Reviewed: October 15, 2019

High school students who complete approved secondary courses as outlined in their career cluster program of study articulation agreement may receive exemption credit for courses that closely parallel those offered at Orangeburg-Calhoun Technical College. These courses are outlined in the formal articulation agreement between Orangeburg-Calhoun Technical College and the secondary school from which the student completed the coursework.

Course competencies may be articulated within one year of graduation from high school.
