Date Approved: February 21, 1995

Last Revised: June 21, 2016

Last Reviewed: January 17, 2023

Students may receive advanced academic placement by successfully completing the College Board Advanced Placement Examination (AP). The student must score a “3” or greater on the AP exam to be awarded academic course credit.

Orangeburg-Calhoun Technical College complies with South Carolina (SC) Laws and SC Commission on Higher Education policies that students shall receive advanced placement credit for each applicable corresponding course offered by the college. Students should be aware that while advanced credit is granted for all AP examinations, credit may or may not be applied to all degree requirements of the college.
