

Orangeburg-Calhoun Technical College Statement of Policy

Title: Auditing Courses

Number: 4.017

Page: 1 of 1

Department of
Responsibility: Student Records

Authorization:

Area Commission Chairman

President

Date Approved: February 21, 1995

Last Revised: January 15, 2019

Last Reviewed: September 15, 2015

Students may enroll in courses without credit on an audit basis. During the first five days of the term, a student may change from an audit to credit status or from credit to audit status, if he/she desires. Changes should be reported to the individual instructor teaching the course, as well as the College Registrar.

The tuition fee for an audit course is the same as that for a credit course.
