Orangeburg-Calhoun Technical College shall provide a secure environment for students, employees and visitors on College property. The College will comply with requirements of the Crime Awareness and Campus Security Act of 1990 and statutes of the S.C. Code of Laws relating to security services. Campus Police and Security personnel will exercise law enforcement authority on College property as granted in State Code and will develop and maintain close working relationships with local law enforcement agencies. Officers who have been certified through the SC Criminal Justice Academy shall be authorized to carry firearms on campus. Adequate coverage by Campus Police officers will be maintained as deemed necessary by the administration and may be accomplished through either full or part-time College positions or through contracted services. All officers must have appropriate training and supervision.

In addition to the enforcement of law, the Campus Police and Security staff shall also enforce College policy with regard to prohibited activities, whether or not criminal in nature. These activities shall be defined by published policies and procedures.
