RADIOLOGIC TECHNOLOGY

Radiographers use modern imaging equipment to provide vital information to radiologists for injury or disease diagnosis. They interact with patients by explaining the various procedures and positioning techniques necessary to produce quality images of the body. An extensive knowledge of radiography equipment is essential to produce good radiographs. Radiographers are highly skilled individuals who are an important part of the healthcare team.

OCtech's Radiologic Technology program provides you with a technical education that combines classroom instruction and clinical exposure. You'll get hands-on experience assisting radiographers and radiologists in examining patients of all ages using various imaging modalities and stationary or mobile equipment. Upon graduation from the Associate Degree in Applied Science, you'll be ready for the American Registry of Radiologic Technologists exam and prepared to provide excellent care to patients in our community and beyond.

OUR RAD TECH GRADUATES HAVE A 100% JOB PLACEMENT RATE

start here

PRE-RAD TECH CERTIFICATE

2 Semesters/32 Hours

take these classes first

- BIO 210 Anatomy and Physiology I
- ENG 101 English Composition
- MAT 102 Intermediate Algebra
- PSY 201 General Psychology
- BIO 211 Anatomy and Physiology II
- Humanities Elective
- SPC 205 Public Speaking*
- AHS 104 Medical Vocab/Anatomy*
- Healthcare Certification*

* These classes are required to complete the Pre-Radiologic Technology Certificate, but are optional for the Radiologic Technology Associate's Degree Program.

FALL 2027 ACCEPTANCE

- **OPEN: JANUARY 25**
- **DEADLINE: FEBRUARY 18**
- **NOTIFIED BY MARCH 19**

OCtech
Orangeburg-Calhoun Technical College

RAD TECH ADMISSION REQUIREMENTS

APPLY TO OCTECH and get accepted to the college.
Submit official transcripts from ALL colleges you have previously attended. Transcripts take up to two weeks to be received and evaluated.

COMPLETE the following general education requirements with a minimum 2.5 calculated GPA and at least a minimum grade of C in each course:

- BIO 210
- BIO 211
- ENG 101
- MAT 102 or higher
- PSY 201 or SOC 101
- Humanities Elective*

You do not have to complete all of the required general education courses to apply. However, if you have not taken any of these courses, you will receive 0 points for your calculated GPA.

MEET one of the following criteria:

☐ SAT: 480 in Math AND either 26 in Reading or 480 in Reading/Writing
☐ ACT: 19 in Reading and 17 in Math
☐ TEAS: 65 in both Reading and Math (within 5 years)
☐ Accuplacer Next-Gen: 250 in Reading and 237 in Math QAS (within 5 years)
☐ Complete all required general education courses at OCtech with a minimum 3.0 calculated GPA and at least a minimum grade of C in each course.

APPLY TO THE RAD TECH PROGRAM
You will find the Nursing/Health Science Application in Self-Service. Make sure ALL official transcripts and test scores are on file. Remember, your Healthcare Prep Advisor is here to help. Contact us at healthcare@octech.edu.

MRI AND MAMMOGRAPHY ADVANCED CERTIFICATIONS

Graduates of the Radiologic Technology Program are encouraged to continue their studies by pursuing one of our advanced certifications. MRI is a two-semester program, while Mammo is a one-semester program. Both online certifications start in the fall and include in-person clinics. Discuss these options with Fran Andrews at andrewsf@octech.edu.

You must pass a national background check and drug test upon acceptance to the program and before starting classes. Clinical sites may require additional background and drug testing during the course of your enrollment. Prior criminal convictions may affect your clinical placement and eligibility for licensure.

Applicants who have had two or more unsuccessful course attempts (withdrawal and/or failure) between August 1, 2026, and July 31, 2027, are ineligible to apply for this application cycle.

*Art and Music are NOT ACCEPTABLE for the Humanities Requirement.

SELECTIVE RANKING SCORE SHEET

BIO 210 ANATOMY & PHYSIOLOGY
9 POINTS = A
5 POINTS = B
3 POINTS = C
0 POINTS = less than C
4 POINTS = E (exemption exam)

POINTS

BIO 211 ANATOMY & PHYSIOLOGY II
9 POINTS = A
5 POINTS = B
3 POINTS = C
0 POINTS = less than C
4 POINTS = E (exemption exam)

POINTS

ENG 101
5 POINTS = A
3 POINTS = B
2 POINTS = C
0 POINTS = less than C
3 POINTS = E (exemption exam)

POINTS

MAT 102 OR HIGHER
5 POINTS = A
3 POINTS = B
1 POINT = C
0 POINTS = less than C
3 POINTS = E (exemption exam)

POINTS

PSY 201/SOC 101
3 POINTS = A
2 POINT = B
1 POINTS = C
0 POINTS = less than C
2 POINTS = E (exemption exam)

POINTS

HUMANITIES ELECTIVE*
3 POINTS = A
2 POINT = B
1 POINTS = C
0 POINTS = less than C
2 POINTS = E (exemption exam)

POINTS

PREVIOUS EDUCATION
Points awarded for one degree, diploma or certificate in science or healthcare.
*Credential must be verified on an official transcript.
4 POINTS OCtech Alumni
2 POINTS other institutions

POINTS

RESIDENCY
2 POINTS Calhoun/Orangeburg county resident
0 POINTS Non-resident

POINTS

TOTAL POINTS
MAXIMUM POSSIBLE SCORE = 40 Points
